

10.00	Conference registration opens Exhibition opens and welcome coffee			
11.00	Opening Plenary Session Welcome from Chris Herring, <i>AECB Chair</i> and Clive Wilson, <i>Director of Estates, University of Bradford</i> AECB Updates Local group reports Introduction to the Water Theme from Cath Hassell			
12.00	Opening address: Mainstreaming Green Design Hattie Hartman , <i>Sustainability Editor, The Architects' Journal</i> and 'Footprint' blogger			
12.30	Lunch			
13.30	Introduction to the University of Bradford's environmental programme Russell Smith and Mark Wrigley , <i>University of Bradford</i>			
14.00	Workshop Sessions			
	David Gale <i>Gale & Snowden Architects Ltd</i> Healthy by design - An introduction to building biology and ecology	Nicola Thomas <i>ARCH-angels Architects</i> Cath Hassell <i>ech2o consultants ltd</i> Flushing out poor design - How to implement a sustainable water strategy for your project	Russell Smith, Mark Wrigley and the team - <i>University of Bradford</i> University of Bradford's energy monitoring – the inside story	Tours of new university buildings - a timber frame building to Passivhaus standard, the other built in limecrete STEM: Mark Sidding, <i>Watson Batty</i> and John Hutton, <i>Couch Perry Wilkes</i> re:centre: Dave Moreland, <i>Farrell and Clark</i> (AECB Member), Russell Smith and Andy Hague, project manager
15.30	Afternoon Refreshments and Exhibition Viewing			
16.00	Workshop Sessions			
	Bruce Heil <i>The Open University in Scotland</i> Understanding the "lived experience" of social housing tenants in low energy housing Carol Davenport <i>AECB local group</i> Sustainable renovation of a 1960s Bungalow – a lay person's experience	Nick Grant <i>AECB Trustee</i> Cath Hassell <i>ech2o consultants ltd</i> AECB water standards: a radical but practical solution to water and energy saving	Transition Towns speaker Transition Towns and the AECB	Tours of new university buildings - a timber frame building to Passivhaus standard, the other built in limecrete STEM: Mark Sidding, <i>Watson Batty</i> and John Hutton, <i>Couch Perry Wilkes</i> re:centre: Dave Moreland, <i>Farrell and Clark</i> (AECB Member), Russell Smith and Andy Hague, project manager
17.30	Break.			
18.00	Evening presentations Making space for people: Designing meaningful engagement processes Dr Ute Kelly , <i>Lecturer in Peace Studies, University of Bradford</i>			
19.00	Dinner and social evening at Conference Venue			

09.00	AGM			
09.40	Gernot Vallentin introduces the 'Memorandum – a new way of building in times of climate change and energy transition' launched at the 2013 International Passivhaus Conference			
10.00	Workshop Sessions			
	<p>Clare Nash <i>Clare Nash Architecture</i></p> <p>Can vernacular technologies be used to inform modern sustainable housing design?</p> <p>Sally Starbuck <i>Gaia ecotecture</i></p> <p>'Sustainage' - Sustainable Stone Age: which techniques will go on to define our epoch?</p>	<p>Lothar Moll <i>Pioneer of the biological and ecological movement in Germany and Director of pro clima</i></p> <p>Achieving durable airtight buildings and avoiding moisture induced failure</p>	<p>David Edwards <i>Developer of designPH for PHI</i></p> <p>A practical workshop on using the new "designPH" Sketchup plugin with PPHP</p>	<p>Building tour - Refurbishment of the JBPL Library, with a focus on airtightness and thermal bridging</p> <p>Dave Moreland <i>Farrell and Clarke</i> and John Hutton, <i>CPW</i></p>
11.30	Refreshment Break and Exhibition Viewing			
12.00	Workshop Sessions			
	<p>Armando Raish <i>Treebox</i></p> <p>Cath Hassell <i>ech2o consultants ltd</i></p> <p>Greening the urban infrastructure</p>	<p>Lothar Moll <i>Pioneer of the biological and ecological movement in Germany and Director of pro clima</i></p> <p>Niall Crosson <i>Ecological Building Systems</i></p> <p>Airtightness: A master-class on design detailing</p>	<p>Lee Fordham <i>Architype</i></p> <p>Nick Grant <i>Elemental Solutions</i></p> <p>Architype's Passivhaus schools, soft landings, feedback and the second generation</p>	
13.30	Lunch			
14.30	Workshop Sessions			
	<p>Alan Clarke <i>Energy consultant and building services engineer</i></p> <p>Andrew Farr <i>Green Building Store</i></p> <p>Goldilocks and the art of ventilation - not too much, not too little but just right</p>	<p>Andy Simmonds <i>AECB Chief Executive Officer</i></p> <p>AECB Retro Fit Initiative</p>	<p>Gernot Vallentin <i>ArchitekturWerkstatt Vallentin</i></p> <p>ArchitekturWerkstatt Valentin – recent thoughts, design ideas and projects</p>	
16.00	Refreshment break and exhibition viewing			
16.30	Closing Summary Work of the AECB			
17.00	End of Conference			

Timings are subject to change. The organisers reserve the right to change any session in the final programme.
